PRACTICAL EXERCISES

1. Prepare your CV/resume and Cover letter.

Based on the guidelines presented in this course, create your own CV or resume and write a cover letter for a potential job you would be interested in applying to. Participants who are not currently looking for jobs should still choose a potential future job. In order to get a diploma, email your cover letter and CV or resume to IMFAHE (QC@imfahe.org).

2. Prepare an effective LinkedIn profile.

Register for LinkedIn (if you do not have an account yet) or log in (if you already have one), and use the tips offered during this course to create a successful LinkedIn profile. In order to get the diploma, share the link to your LinkedIn profile with IMFAHE (QC@imfahe.org).

3. Get ready to succeed in your next interview.

In order to get the diploma, email to IMFAHE (QC@imfahe.org) the answers to the following exercise:

- 3.1 Think about the job of your dreams. Write down the name of the position and the organization where you would love to work (example1: Immunologist at Pfizer. Example 2: Software Engineer at Google).
- 3.2. Study the organization. Write down what it matters for the organization . Think about 5 keywords you should use during the interview to sound aligned with the organization ´s mission.
- 3.3. Write down answers to 4 traditional, 4 behavioral and 4 technical interview questions and also write down 4 closing questions that you can ask to the hiring manager.

**Complete the
Practical
Exercises**
and put into practice
what you learned
through the
Masterclasses

Each student is expected to complete the practical exercises following the guidelines, information and advice presented at the masterclasses. The objective of these exercises is that every student prepares a CV/resume, cover letter, LinkedIn profile, and interview to be ready to get a desired job/position/career goal.
